<b>Who proposed the rule change?</b>	
Staff.	
<b>Why is this rule change needed?</b>	
<p>At the November 2002 Commission meeting, the Commission adopted an amended version of WAC 230-08-017. The term “annual” was inadvertently left out of WAC 230-08-017 (5) when it was re-formatted into a chart. It was not the Commission’s intention to remove “annual” and the Commission will be asked to readopt this rule to clarify four stamps are “annual” stamps.</p>
